

TDC Global DEI speakers & thought leaders

Our Vision & Mission

We are a diversity, equity and inclusion (DEI) consultancy that enables organisations to succeed by integrating DEI.

We equip our partners to attract, retain and advance top talent through leveraging generational, cultural and gender diversity.

We are a passionate collective of changemakers that spark lasting impact for organisations.

We exist to accelerate societal progress towards equity.

Expertise

Our team of experts are frequently invited to contribute to conversations surrounding accelerating gender equality and equity, increasing and advancing women in male-dominated industries like technology, building inclusive leadership and cultures, and diverse talent attraction and retention.

They can provide insight on a variety of topics, including identity, power, privilege, race, gender, allyship, intersectionality, and interpersonal and systemic biases.

TDC Global Team

Founder & Managing Director

Sarah Liu is an international thought leader on next-gen leadership and diversity. As Australia's G20 YEA representative, APAC advisor, and Forbes Awards judge, she trains global leaders, partners with Google, and leads women's initiatives in AUNZ. Committed to increasing women in leadership, her roles include UTS Industry Advisory Board membership.

Topics of Expertise: DEI Fundamentals / Inclusive Leadership / Women in Leadership / Inclusive Hiring / Allyship / Needs Analysis / DEI Strategy / Future of Work
